

Multi IFR Rating

The Multi Engine Instrument Rating allows a pilot to operate a multi engine aircraft under Instrument Flight Rules.

This Training Cost is based on the following assumptions:

Student has completed the Private Pilot License
 Student has completed the Multi-Engine Rating
 Student has a minimum of 50 hours of PIC cross-country time

To hold this rating a person must have reached 17 years of age, obtain a Category 3 medical certificate.

Ground School & Flight Training Summary

Aircraft	Beechcraft Baron, ALSIM Flight Training Device	
Ground School	90 HOURS	\$500.00
	Books and Study Material	\$300.00
15 hours dual instruction on BE55 @ \$607.00 / hour		\$9105.00
15 hours on ALSIM ALX Flight Training Device		\$3000.00

Approximate Course Total

\$12905.00

For more information on Transport Canada's minimum requirements to obtain a Multi IFR Rating, [see the Canadian Aviation Regulations](#).

Additional Costs

Individual Ground Instruction (as required)	\$135.00 / hour
Flight Test, Transport Canada Licensing Fees and Examination approximate fees	\$1242.50

We believe in high quality training and transparency. We quote a realistic estimate for the cost of training, rather than just the minimum hours stated by Transport Canada.

Actual cost will vary depending on student ability and study skills.

Fuel surcharge included in aircraft cost. Prices are subject to change without notice. GST not included in costs.
